

ENVIRONMENTAL POLICY

Faltec Europe Ltd is committed to providing a healthy, safe and pleasant environment for all of our staff, whilst minimizing the impact of our operations (including all manufacturing processes, associated activities, material receipt, storage and waste removal) on the local surroundings and community.

The Company recognises and respects the importance of protecting the environment and preserving natural resources both locally and globally. It is therefore our Policy to consider environmental issues in our business planning and operations. We will adopt the most economically viable application of the best available technologies and the principle of pollution prevention. Specifically we shall conform to the requirements of ISO 14001 :2015.

The scope of Faltec Europe Ltd's Environmental Management System is to implement a policy and objectives which take into account legal and other requirements to which Faltec Europe Ltd subscribes. This will apply to environmental aspects which Faltec Europe Ltd can control or influence.

It is the responsibility of all our employees to support this policy and the procedures pertaining to it. Similarly, all visitors and contractors are obliged to respect these requirements.

We are committed to monitoring and improving our environmental performance through the Environmental Management System developed to comply with ISO 14001: 2015.

The Environmental Management System identifies objectives and targets for improvement based on identified environmental risks. The results of our improvement programme are carefully assessed through periodic management review meetings and continual improvement actions planned and implemented.

Faltec Europe Ltd will ensure that appropriate resources and controls are put in to place in order to maintain this policy throughout the company, and will ensure that the concerns and requirements of all interested parties are addressed in a timely and appropriate manner. We shall make this policy known to all employees within the business and to external parties agreed by the Management team.

T Furuuchi
